

Information for the Families in our St. Bridget Religious Education Program

In the spring, the Religious Education Offices are going to begin online registration. Many of you have already registered online this past year, but had a question as how to send in your payment.

You may do this via PARISH PAY at
www.parishpay.com

It is very easy to sign up, create your own user name and password and then enter your one-time for your child/children (depending on the number of children you are registering)
under the **Religious Education** category.

It benefits everyone and it is enrollment friendly and trouble free. You can easily manage your own account. You can use your bank account or a credit card account.

For those of you who still have not signed up, you can also make your weekly Offertory donation through this website, too.

If you do have any questions, you may speak to the Parish Business Manager (Mrs. Sebastian) at 508-875-5959.
